

McCain Foodservice Catalogue

McCain your partner in success

Partnering with McCain not only gives you access to our premium product portfolio, created specifically for the foodservice industry, but you'll also benefit from a host of value-added support services to help you thrive in a competitive market.

Whether you're looking to retain loyal customers, make your menu stand out in a crowd or improve your back-of-house operations, we'll guide you in choosing the right mix of products to support your business ambitions.

We're a local manufacturer with a strong presence across Australia and New Zealand. We provide quality local field support as well as other valued-added support and services. Above all, we are specialists in potato products.

Our reputation is built on quality and continuous research. And while we have six manufacturing facilities across Australia and New Zealand, our global connections allow us to draw on innovation from around the world.

Contact us or speak to your local McCain representative to partner today.

Our Original Choice

McCain Steak Fries

Pack Size: 3x5kg

Product Code: 203132

A classic flat-cut fry that delivers on all fronts; premium taste, texture and presentation. Their large flat-cut size delivers excellent plate coverage for a lower plate cost.

Belgian Liege Waffles

When it comes to waffles, only McCain authentic Belgian Liege Waffles will do your creation justice. Start with the best and make a dish you'll be proud to serve time and time again.

McCain Belgian Liege Waffles

Pack Size: 24x90g
Product Code: 811601

McCain Belgian Liege Waffles are made in Belgium from a traditional Liege waffle recipe featuring 90% real Belgian Pearl Sugar for a delicious crunch. You'll get the same consistent, delicious waffle every time. Individually wrapped for added freshness and convenience, just open the pack and you're ready to go. No need for fancy, expensive equipment or labour, our waffles have a long shelf life – they can be stored 18 months frozen or 6 weeks unfrozen.

It's a name we all know and trust for its quality and fail-safe consistency.

The Sara Lee brand began in 1949 in Chicago and was named after the daughter of the original founder, Charles Lubin. In Australia, local operations commenced in 1971, at Lisarow, on the New South Wales Central Coast.

With over 45 years' experience in cake and pastry-making, our expert chefs and bakers are dedicated to developing tried and true 'homemade' recipes using only the finest natural ingredients such as fresh eggs, dairy cream, fruit and real butter.

Freshly baked and then frozen fresh for maximum freshness and nutritional value, Sara Lee products are designed for maximum convenience with simple, no-fuss preparation, easy portion control and broad application flexibility.

Sara Lee is known for quality, consistency and where possible, being free of artificial colours, flavours or preservatives.

No wonder Sara Lee is one of this country's most beloved brands and your total foodservice solution.

My McCain Fries Advantage program

Serving the best quality fries on the market can be even more rewarding. When you choose selected McCain products, you're eligible to join the My McCain Fries Advantage program.
